

How to Request British Standards

1

Use the Database of Print Standards, <https://apps.lib.purdue.edu/standards/> to identify which British Standards you need

Purdue University Standards Database

This database searches the title, standard number, and standards developing organization of the Purdue Libraries print standards collection. Most of the BSI standards in this collection were published before 1965 and are housed in HKRP, a closed repository. Use [Interlibrary Loan](#) to request items from this collection (1-2 day delivery time).

More information on Purdue Libraries Standards collections: <http://guides.lib.purdue.edu/standards>. For assistance please contact the Library of Engineering and Science at 765-494-2872; engscilib@purdue.edu.
